Good afternoon all:

This communication relates to the Supreme Court's recent remand of Docket No. 4981 to the Commission.

The Commission is requesting briefs from the parties addressing specific questions described below, which will be followed by a hearing for oral arguments.

Below is the procedural schedule;

- (1) Petitioner's Initial Brief is due April 30, 2021 by 4:00pm.
- (2) The Division's and National Grid's Response Briefs are due May 14, 2021 by 4:00pm.
- (3) Petitioner's Reply Brief is due May 26, 2021 by 4:00pm.

Petitioner's Initial Brief must address the following issues, to which the Division and National Grid shall respond:

1. Among the information contained in the "affidavit of new evidence" referenced by the Supreme Court in its order of January 12, 2021, please identify what the Petitioner believes constitutes new evidence (i.e., evidence that was not before the Commission when it made its decision).

2. Of the new evidence identified, please explain the relevancy of that evidence to the Commission's decision.
3. Of the new evidence identified, please indicate with specificity the extent to which there are any facts (within the new evidence) which the Petitioner believes are now in dispute.
4. Referencing the "Agreed Facts" signed by the Petitioner and National Grid that was used by the Commission in its original decision, please indicate whether the Petitioner believes the facts upon which the Commission based its decision now need to be amended to include facts from the new evidence. If so, please indicate how the Petitioner recommends the new facts would be written in a stipulation.
5. Describe in detail if and why the Petitioner believes the new evidence should either affect or change the Commission's original decision, including any inferences the Petitioner maintains should be drawn from the new evidence, if any.

The Commission is considering having the hearing for oral argument in person, as opposed to remotely. Attorneys will be notified if the hearing is remote or in person prior to the hearing date which will likely be scheduled for the first or second week in June.

Also attached is an updated exhibit list. Please use this going forward to ensure receipt of anything you file. Should you have any questions, please do not hesitate to email me.

Best,
Patti
